This is a decision on the petition for revival of an application abandoned unintentionally under 37 CFR 1.137(b), filed January 9, 2006, to revive the above-identified application. The delay in treating this petition is regretted.

This Petition is hereby granted.

The above-identified application became abandoned for failure to reply in a timely manner to the nonfinal Office action, mailed May 4, 2005. The Notice set a shortened statutory period for reply of three (3) months from the mail date of the Notice, and also provided for extensions of time under 37 CFR 1.136(a). No reply having been received, the application became abandoned August 5, 2005. A Notice of Abandonment was mailed December 21, 2005.

With the instant petition, Applicant has filed an Amendment in response to the non-final Office action.

This application is being returned to Technology Center 2675 for processing of the Amendment in due course.

Telephone inquiries related to this decision may be directed to the undersigned at (571) 272-3232.
